

J. WRAY™ JAMAICA RUM

Created by Jamaica's number-one rum producer J. Wray & Nephew Ltd, award-winning J. Wray Jamaica Rum represents and celebrates the inviting attitude and warm, free-spirited energy found in this Caribbean nation. This distinctive Jamaican rum unlocks a new flavor experience for rum enthusiasts.

ORIGIN:

J. Wray Jamaica Rum is a blend of full-bodied flavorful pot still rums and lighter style column still rums produced in the heart of Jamaica. The rum derives its unique flavor from sugarcane grown on the New Yarmouth Estate, located on the Vere Plains of Clarendon outside Kingston.
