

AMERICAN HONEY® FACT SHEET

AMERICAN HONEY:

At the heart of every bottle of American Honey is the world-renowned flavor of Wild Turkey Bourbon. A Kentucky tradition for more than one hundred years, Wild Turkey uses the highest possible standards in selecting its ingredients and the maturation of its bourbon. Always distilled at low proof to seal in flavor, Wild Turkey Bourbon is created without any shortcuts, believing in the importance of tradition.

American Honey is the original honey flavored bourbon made with real Kentucky bourbon and real American-grown honey. It is genuine, all-American and unexpectedly smooth from the makers of Wild Turkey Bourbon.

TASTE PROFILE:

The exceptionally smooth taste of American Honey is a blend of delicious notes of sweet honey, caramel, and orange. The liqueurs finish glides through the mouth with long-lasting flavors highlighted by bourbon tones.

SIGNATURE COCKTAILS:

Perfect served as a chilled shot or over rocks, it is the sweeter, smoother side of Wild Turkey. American Honey also makes wonderfully sweet cocktails, such as its Brandy Bird or Wild Apple Pie.
