Jim Murray's Whisky Bible is the world's biggest-selling and most influential annual whisky guide. Industry renowned, the compact guide contains roughly 4,500 detailed, professionally analyzed and easy to understand tasting notes on the world's leading and lesser-known whiskies. Each whisky is tasted by Murray himself and graded with an overall score out of 100. This year Murray awarded the Glen Grant 10 Year Old a "Liquid Gold" score of 96 out of 100.

Founded in 1840 by brothers John and James Grant in Rothes, in Speyside, Scotland, Glen Grant boasts a remarkable, unique double distillation process which sets its award-winning 10 Year Old Single Malt apart from the competition. Created using tall, slender stills and distinctive purifiers, invented over a century ago by the ingenious James 'The Major' Grant and still used to this day, it captures only the finest vapors, producing the refined and seductively smooth taste for which Glen Grant is renowned.
