

THE BARON SAMEDI® SPICED RUM

The Baron Samedi is a premium spiced rum made with Caribbean column still rum and enhanced with Jamaican pot still rum, creating a robust, yet smooth-finishing spirit. Named for a character that has existed in Haitian Vodou culture since the 18th century, the Baron Samedi Spiced Rum celebrates the country's rich traditions. Often pictured as a tall, handsome man wearing a black top hat and a black tuxedo, the Baron Samedi serves as the guardian for all things enchantingly dark and otherworldly.
